MY BEGINNING

I was born on July 3rd,2008.I have a big brother, he was born on December 22nd,2006 and his name is Miles. When we were really young Miles knew how to open those child-prof vitamin gummies and once our mom found us under the table eating them. Me and Miles started gaming pretty young I started gaming around when I started pre school. Also for one Halloween me and miles were both frogs, we were twins ish. Also when ever we went strawberry picking I picked alot of strawberrys but I only has like 5 in my basket.

MY LEARNING JOURNEY

I went to preschool at Parkcrest and UHE. And I've been at UHE since then.

OUR LANGUAGES

My maternal grandparents speak Mandarin, English, Cantonese, and Vietnamese. My paternal grandmother speaks English and Ukrainian. My parents, my brother, and I only speak English.

OUR FOODS

We make a variety of foods from different countries. These are some of the different foods we eat: sushi from Japan, turkey from America, Fruit salad from the Philippines, Pizza from Italy, tacos from Mexico, and a lot of other random stuff :P

The background is a solid teal color. In the four corners, there are decorative white line-art elements that resemble circuit traces or stylized trees. These elements consist of vertical lines that branch out at various angles, ending in small circles. The lines are thin and white, contrasting with the teal background.

OUR CULTURAL EVENTS AND TRADITIONS

We celebrate a variety of different holidays/traditions/events. Also we make up a few traditions. We celebrate Christmas, Halloween, Easter, Thanks Giving, Chinese New Year, and Birthdays.
